Prediction: Dyslexia Predicted

Confidence: 2

Participation: 1

Health Issues: No

Distraction: Always

Pronunciation Issues: Always

Reading Fluency: 2

Writing Legibility: 2

Math Struggles: No

Memory Issues: Always

Recommended Solutions:

- Encourage phonics-based reading programs.
- Provide additional time for reading and writing tasks.
- Use multi-sensory teaching techniques (visual, auditory, kinesthetic).
- Provide structured routines and a distraction-free environment.
- Use assistive technologies like text-to-speech software.
- Encourage confidence-building activities and positive reinforcement.
